Spa & wellness

Indulge in an unparalleled atmosphere of tranquility by selecting flooring from our exclusive collection, meticulously designed to set the perfect mood for your distinguished spa and wellness retreat. Choose flooring that enhances overall calmness, ensuring a harmonious and opulent environment for discerning guests seeking ultimate rejuvenation and peace of mind.

LIGHT OAK | SHF00282

Lobbies

As the gateway to any establishment, demand careful consideration in flooring selection to set the right ambiance. These pivotal spaces, where guests first step in, require flooring that not only captivates aesthetically but also stands resilient against the constant foot traffic. Prioritizing durability is essential in these busy areas, ensuring the flooring maintains its pristine look despite the daily comings and goings. It's not just about resisting scuffs and scratches; the chosen flooring should seamlessly blend visual appeal with functionality, creating an inviting atmosphere that foreshadows the warmth and welcome awaiting inside. Choose lobby flooring that aligns seamlessly with your desired ambiance, making a lasting and positive impression on every visitor.

EVENING BARLEY | SHF00409

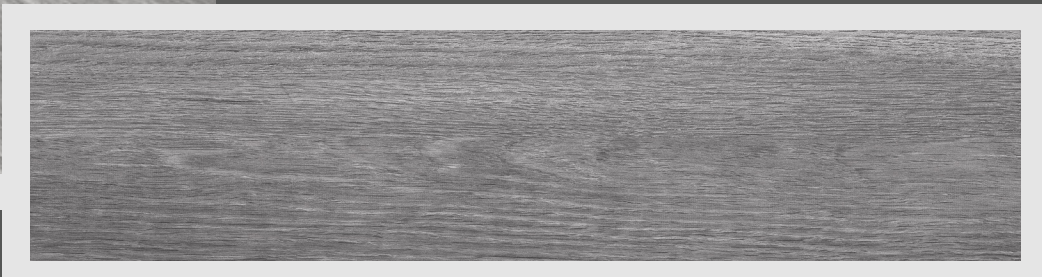

Restaurants

Dining establishments, including restaurants and cafes, appeal to all senses, and the flooring selection should align with the desired ambiance. Given the frequent activity in these bustling spaces, opt for durable floors that can withstand the wear and tear of moving chairs and tables, resisting scratches and scuffs.

SILVER STRIPED OAK | SHF00386

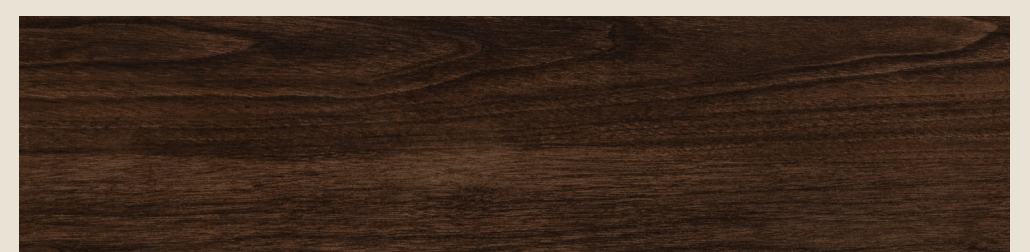

Woodland Bay

Embark on a design journey with Woodland Bay, our latest flooring collection crafted to redefine hotel spaces. From welcoming receptions to elegant boardrooms and invigorating fitness centers, Woodland Bay introduces rich and sophisticated dark tones, enhancing each space. Seamlessly integrating with diverse themes, this collection elevates hotel aesthetics, empowering architects with the canvas to create inviting, opulent, and comfortable stay experiences. Choose Woodland Bay and let your architectural vision redefine the narrative of hospitality design.

Bedrooms

Travelers seek a comfortable and tranquil experience, whether for business or leisure. It is crucial that bedroom floors maintain a clean appearance to create a soothing and cozy atmosphere. Additionally, the flooring should be easily replaceable with minimal disruption to guests. When choosing the design, prioritize floors that seamlessly complement bedheads, walls, and furniture to achieve a cohesive visual identity.

GOLDEN OAK | SHF00284

Reception

First impressions are crucial, especially in hotel receptions—the initial encounter sets the tone for a guest's stay. Opt for welcoming, stylish, and spotless designs. Flooring, with its mix of colors and patterns, enhances brand identity. Given the high traffic in these areas, choose durable, easy-to-clean floors.

TRADEMARKS & TECHNOLOGIES

FloorNdure™
Welspun Flooring's Click-N-Lock Tiles* are equipped with FloorNdure™ technology. With FloorNdure™, our hard flooring really go the distance when it comes to strength and durability. And why not? After all, flooring is where the foundation of a home is.

Wel-Lock™
Wel-Lock™ technology allows the tiles to fit into one another in a unique locking mechanism. This ensures strong locking at the joints and makes installation a quick and effortless process. It also ensures that you get that beautifully seamless look on the floor.

ScrapeGuard™
ScrapeGuard™ technology uses a layer with UV coating, that offers protection to the design under neath from scuffs and scratches meanwhile retaining the look and longevity of the tile. So, you can say goodbye to the everyday scratches and scrapes.

StainProtect™
StainProtect™ layer is specially designed to offer superior stain resistance, to keep your floor always clean and sparkling. Now, go and make that splash!

GermiShield™
Welspun Flooring's Click-N-Lock Tiles* come with the innovative GermiShield™ technology, which restricts the growth of harmful germs or molds on the floor. Healthy homes, begin with healthy floors.

Cushion Back
Welspun cushion backing provides improved comfort and cushion impact under the foot and makes walking relatively comfortable for heels and hard leather shoes. Also, cushion backing helps reduce tapping sound.

OUR PRODUCTS ARE COMPLIANT WITH GLOBAL STANDARDS.
